UTILITY INSPECTION PERMIT
(\$100.00 Plus Labor & Materials - Non-Refundable)

Permit #: _____

Today's Date: _____

Expiration Date (30 days): _____

Owner: _____

Address: _____

Permit to open: Pavement Street Sidewalk No cut being made

Location of cut or repair (Street Address): _____

Description of work: _____

Such permission is granted, subject to provisions of Article 2, Chapter 5, of Ordinance Code, and with the understanding that the City will not incur any expense; that the work will be performed in such a way as to inconvenience traffic and public as little as possible; that the street, sidewalk, pavement, etc. will be left in as good condition as it is now, and the public will be protected from injury or damage.

The applicant will notify the Department of Public Works or the City Hall the afternoon before or the morning the pavement is to be cut or sewer is to be tapped.

We want to know the time so we can provide the supervision or inspection necessary.

The applicant agrees to provide and erect necessary barricades, lights, warning signs, etc. and also agrees to repair and maintain this cut in such a manner as is satisfactory to the City. All backfill must be thoroughly settled by wetting or tamping and all excess material promptly removed from the job. The cost of maintenance work on this cut done by the City will be billed to the applicant.

The City is requested to repair this cut and bill the applicant: Yes No N/A
